

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA
CASE NO. 00-6273-CR-HUCK

UNITED STATES OF AMERICA,
Plaintiff,

vs.

ARIEL HERNANDEZ, et al.,
Defendant,

CLERK OF DIST. CT.
S.D. OF FL. - MIAMI

EX-PARTE MOTION TO APPOINT DEFENSE EXPERT
AREA OF EXPERTISE: PSYCHOLOGIST-HUMAN SEXUALITY

THE DEFENDANT, ARIEL HERNANDEZ, by and through the undersigned counsel, pursuant to 18 USC Sec. 3006A(e), respectfully moves this Honorable Court for entry of an Order authorizing the undersigned to retain the services of an expert Psychologist to serve as a defense expert, and in support thereof would state:

1. The defendant has previously been adjudicated insolvent and the undersigned represents the Defendant, as Court appointed counsel, pursuant to the Criminal Justice Act. The defendant is incarcerated and remains financially unable to retain the services of defense experts. The Defendant is charged inter-alia with Conspiracy to commit and the substantive offense of Murder of Jeannette Smith, both in furtherance of the additional RICO allegations charged herein.

2. The defendant anticipates that the Government will attempt to introduce expert testimony from Dr. Lisa Flannagin that, Jeannette Smith, the alleged homicide victim suffered anal trauma and other traumatic injuries to her neck which ultimately resulted in her death. It is further anticipated that the Government will argue that these injuries constitute evidence that the victim was killed intentionally and with premeditation and not as a result of the negligence of the Defendant.

UNITED STATES V. ARIEL HERNANDEZ
CASE NO. 00-6273-CR-HUCK

3. The Defendant will likely seek to prove that the injuries allegedly sustained by the victim are consistent with having been inflicted accidentally during various consensual sexual acts. This distinction is significant since the jury could well conclude that the intentional act of murder was a violent act in furtherance of the RICO allegations while it would be less likely to believe that a negligent act, to-wit: manslaughter, was an intentional violent act in furtherance of the same RICO. allegations. Moreover, the Court may be called upon to make this determination, as a matter of law, at the close of the Government's case.

4. It is therefore, necessary that the Defendant obtain the services of an expert qualified in the field of psychology with a concentration in human sexuality. Specifically, the Defendant would seek to educate the jury to the fact that there are people who voluntarily and consensually engage in sexual conduct that members of the jury may personally find repugnant. The undersigned has contacted Dr. William R. Samek, Ph.D., to inquire as to whether he would be available to serve as a defense expert in this matter. Dr. Samek is well qualified to serve in this capacity. Among his most recent qualifications are:

1981-present: Founder and Director of the florida Sexual Abuse Treatment Program, Inc,

1999-present: Member, Florida Violent Sexual Predator Act DCF Multidisciplinary Team,

2001: President-elect, Florida Psychological Asociation.

Additionally, he has lectured and taught at numerous seminars and workshops and is well published in his field. A more complete description of Dr. Samek's qualifications, is reflected in the attached Curriculum Vitae.

UNITED STATES V. ARIEL HERNANDEZ
CASE NO. 00-6273-CR-HUCK

5. It is anticipated that it will be necessary for Dr. Samek to review the findings, observations, etc. of Dr. Lisa M. Flannigan, the prosecution's Medical Examiner Expert, the statement's of the Defendant and perhaps interview the Defendant. Primarily, Dr. Samek will be called upon to give his expert opinion regarding consensual human sexual conduct. Dr. Samek has estimated that he will expend approximately three to five hours reviewing the relevant materials, forming his opinions and conferring with defense counsel, and another three to five hours conducting medical/psychological research, for a total of six to ten hours. Dr. Samek's customary hourly fee is \$250.00 per hour.

6. In view of the confidential nature of this matter, the undersigned has not contacted Government's counsel regarding this matter.

WHEREFORE, the Defendant respectfully moves this Honorable Court to enter its Order authorizing the defendant to retain the services of Dr. William R. Samek, Ph.D, as a defense expert, and to report only to defense counsel.

DATED this 15th day of October, 2001.

Respectfully submitted,

JEFFREY D. WEINKLE, ESQ.
